

OHS 2008
REGISTRATION FORM

[] **Yes! Count me in for the wellness seminar! \$65, per person, is enclosed.** No discount for couples; please send \$130. If you use this form after April 15, please send \$75 per person. At that time, husbands/wives who are willing to share materials may register for \$140.] Please do not ask if you can get a discount if you do not attend the entire seminar. The amount we pay for facilities, speakers' expenses, and other costs does not become less if you are unable to attend a particular day. By the way, it will be announced Thursday night when Ron Heagy's camp ministry is described, that those who wish to, may make a tax-deductible donation.

Note: Carpooling is encouraged because of limited parking near the recital hall. It is a privilege to have speakers of this calibre come to the Midwest. Thank you for helping us to publicize this seminar among those in your circle of influence.
